

Trumpet Scales

1 and 2 Octave

The image displays 12 staves of musical notation for trumpet scales. The scales are organized into pairs of ascending and descending lines for each key signature. The key signatures are: B-flat major (first two staves), B-flat major (next two staves), B-flat major (next two staves), B-flat major (next two staves), D major (next two staves), D major (next two staves), D major (next two staves), D major (next two staves), E major (next two staves), E major (next two staves), E major (next two staves), and E major (next two staves). Each staff contains a sequence of notes for a scale, with a double bar line at the end of each line.

Once you can play these scales, extend them through their playable range. Play even incomplete octaves
